HOW CAN I BENEFIT YOU?

My name is M. Umer, and I am a Web Development student. I can design UI for websites and mobile apps using Figma, and I use Canva for posters, banners, and invitation cards. I have developed websites using PHP and hold a MySQL database competition Participation certificate. Recognized several times as 'Student of the Month,' I am now seeking my first internship to apply my skills to market-ready projects and gain experience in a professional environment.
